

Are you or someone you know in need of
Home Repair Assistance?

Group Workcamp 2022

June 19th - June 25th

Lakes & Prairies Community Action Partnership (CAPLP) is teaming up with Group Workcamps to help improve homes within 30 miles of Moorhead, Minnesota June 19-25, 2022. We are reaching out to older adults, persons with disabilities, single parents, and income eligible residents. We are excited to transform homes and create better living conditions for the families we serve! Hundreds of youth from across America will come together for five days to repair and transform homes while strengthening and transforming their own faith.

Each home site will consist of 4-5 senior high youth and at least one adult leader. Site writers will visit your home prior to the Group Workcamp and help with identifying repairs and materials needed for your specific project. **Eligible households must be within 30 miles driving distance of Moorhead, MN (Homes must be located in MN)**. Eligible repairs are “basic” home repair and are listed with this application.

Both labor and materials will be free to qualifying households. Work will be done by youth volunteers. Households receiving assistance must agree to provide water, electricity for tools, a restroom for the volunteers as well as providing an adult in the home the week of the repairs.

You will be contacted in Spring 2022 about the status of your application. At no time, can we guarantee that work will be completed on your home. Please complete the following questions and return your application to the following address:

Please fill out the application and mail to the address below or return via fax or e-mail.
